Who We Are

About Us

The Kaneohe Business Group and Windward Community College (WCC) sponsor the Windward Ho'olaulea annually to raise scholarship money for WCC students.

Featuring: United States Coast Guard Auxiliary

The United States Coast Guard Auxiliary – Americas Volunteer Life Savers is celebrating its 75th anniversary this year. We have a proud history of keeping boaters safe. In addition to Search and Rescue we promote Recreational Boating Safety through boater education and community outreach. We assist the US Coast Guard in almost every type of mission. Please stop by our table and learn about boating safety and how you can join us. We will be able to answer all your questions about how to meet the Hawaii State boater education requirement which will be enforced after November 10 this year.
