Kia ora

We are nearing the end of term. The Easter break has re energized the students and teachers. I hope you all had a restful but fun time with your families.

Farewells and Welcomes

Schools are an ever changing place with families coming and going all the time.

Unfortunately this happens with teachers as well. This year we have enrolled 32 new children. At the same time 12 children have left with another couple due to depart over the term break. At the end of this term Mr. McNamee will be leaving. We thank him for his work at the school over the last year and wish him well as he moves back to Wellington. Replacing him is Mrs. Patterson currently working in room 6 with Mrs. Cowie. We thank her for her work in Room 6 and are grateful that she is able to take over Room 3. Next term we welcome back Miss Andrews who is on maternity leave and will share Room 6 with Mrs. Cowie.

Term Break

Our last day this term is Friday 16th April. School resumes on Monday May 3rd.

Home and School

A big thank you from the home and School for all the contributions to our Easter raffle. Thank you so much for your support. Ten great prizes were given out. One family sold 13 tickets. Unsurprisingly three of the people they sold tickets to won. Next term there will be a disco.

BOT

The next board meeting will be on May 18th. Visitors welcome.

Life Education Truck.

Over the last two weeks we have had the Life Education Truck at school. Ask your children what they have been learning about in the truck. My thanks to the teacher Maria Sinclair for her work with our children.

Have a great weekend.

www.nextchapterparenting.co.nz is offering a free parenting course to parents who might be having a struggle in managing their children, or just need some tips and advice. This course does work and has the potential to be very helpful. All it requires is for parents to look, read, watch and hopefully gain out of the process. The course is offered on the website and is set out in video, and in written format. Based on filial therapy principles, it is child centred and most definitely works for those that put in the time. Have a look! And happy parenting:)
